## En japansk nostalgitripp

I am writing for Kulturreportage AB. It is a text- and graphic arts bureau founded in 1965 and sells articles, pictures and reportage to about 30 different swedish and nordic newspapers and magazines.

### KARATEMÄSTAREN 2012

In 2012 i am planning to release a book, *Karatemästaren - en nostalgitripp från Japan*. It will be an amazing story about a swedish guy exploring the world of international martial arts.
